

Hanover Park High School
Counseling & Guidance Department

Calling all Volunteers...

Do you want to be a teacher?

Are you interested in Community Service?

The grammar schools in East Hanover & Florham Park welcome you to go back to the place where it all began and assist the teachers and serve as a positive role model for the elementary students.

Areas where your assistance is needed:

- Extended School Year Programs ~ 2 to 4 hours a day (in the summer)
- Preschool ~ 2nd grade classes
- 3rd ~ 5th grade classes
- After school Homework Clubs

See Mrs. Mitchell in the Guidance Department to learn more about how you can give back to your community!
